SOCIAL SEASON OPENS THURSDAY NOV. 16

The opening event of the school social season will be held on Nov. 16th. when the Girls Athletic Assn. presents the Choral Society and the Dramatic Club in a full evening's entertainment. It is up to the Students to get out and support the new school society.

The Dramatic Club play "Peg of My Heart" will be presented around December 14th.

In January the basketball games will start, and it is expected that the Boy's Athletic will hold a skating party.

The girls will hold a Valentine Matinee in February. A Dramatic programme may be held in March or April.

If the hopes of the Students Council are fulfilled this year, there will be a banquet. Last year a closing programme took the place of the banquet. If any of the students have any ideas that are original or different please hand them in to any member of the Students' Council or the Editor of the Siren.

NO CHRISTMAS EXAMS.

There will be no Christmas Exams. this year but short monthly tests will be held. These tests will be averaged up and the marks will form the half-term report. Some tests have been held already.

NEW EDITOR APPOINTED

GIRL'S ATHLETIC CONCERT

A real peppy programme is being planned by the Girls Athletic Assn. for the concert on Thurs. Nov. 16th. The Choral Society will provide the musical entertainment consisting of choral numbers, solos and duets. "Family Troubles", a one act comedy will be presented by the Dramatic Soccoety. Tap Dancing will complete the programme. The low admission prices should be taken advantage of by every student. This is a real opportunity to show your school spirit.

THE LIT.

In case you didn't know the names of the players in the play at the Lit. they were: Louise Bucklee, T. Campbell, (the victim) B. Dunn and B. Francis. Harold Clark, Harold Barefoot, Albert Ellison, and John Kusmar formed the quartet.

Am I going to see you at the concert Nov. 16? If not, why not? This is the first big event of the social season, and everybody should be there. - - - Who's afraid of the Big Bad Wolf? Well, it seems that some people aren't when they actually ask you to put scandal in about them. Sometimes this is impossible but, we do our best to please. - - - With two exceptions last year's basketball team will be holding

up the honor of Crescent Heights again this year. When the time comes around be there cheering. - - - The Siren wants to start a contributor's page. It will

consist of short interesting articles by the students. Are you willing to help? You have to write articles in Composition, why not hand them in? Please get to work students. You have some ideas of your own. Send them along. - - - I had to laugh at Fred Peacock cut at a camp last summer.

Thinking he would have some fun with an Indian, and trying to speak the Indian language, he went up to the Indian and said, "how"! The Indian came back "Hullo, boy" Was Fred's neck pink? - - - I sure liked the Lit. on Oct. 26th. didn't you? The President's speech, short and snappy, was well delivered. Would you call it an agricultural Lit. when first we have a group of budding actors, and then the quartet burst forth into song? Ay, Scotty, keep it up and you'll be in Hollywood some day. - -

Speaking of singing, remember the time Archie Langille was walking along 16th. Ave. N.W. singing in his own inimitable way, (noise to you) the song, "Hold Me". A little girl was standing looking in a window when Archie went past singing (?) "Hold Me". The little girl turned around and said "Who, Me?"

The forms for the High School All Star Rugby team will soon be published in the Herald. The Crescents should be well represented on this team. Gordon, Stevenson,

La'ge, Turner and Hooper are good enough to make any school team. Using your own judgment, fill out these forms and send them in.

ROGER S. MACLEOD:

Roger MacLeod, of Hebridean and Loyalist stock, inhaled his first breath amid the salt breezes of Port Morien on the eastern coast of Cape Breton Island and has never gotten over it. His Public and High School educations were received at Gowrie School in his native village.

After graduation from the Nova Scotia Normal College in Truro he held the positions of Principal of the schools at Florence C.B. and Principal of Central Public School in Sydney.

He was graduated from Dalhousie University in 1924 and after two years as Supervising-Principal of the schools in the town of Sydney Mines, came West to teach at Mount Royal College. Banff claimed him as Principal for 1928-1929. The following year "Mac" came to Crescent Heights, where he was at first considered something of an ogre but as years go by it is found that "his bark is worse than his bite."
